

U L D

While at U Lucky Dog, your Dog will be commingled with other dogs. Because of the nature of commingled play, your dog may get scratches, cuts, bruises, or other minor injuries in the course of such play. ULD is not responsible for such injuries. We do not allow fighting, mounting, or other inappropriate behaviors, and train our staff to avoid and stop any such behavior. However, we are not able to prevent every instance of inappropriate behavior, though we do our best to ensure a safe and happy play environment for all of our guests.

In the event of a medical emergency which requires that the dog be removed from daycare we will notify the owner as soon as possible. U Lucky Dog reserves the right to transport any dog to a veterinarian of our choice for emergency medical attention, at the owner's expense.

Since your dog is commingled with other dogs, colds, flu, and other illnesses may be transmitted despite our best efforts to remove and isolate any symptomatic dogs, and our best efforts to maintain the cleanest possible play area. We are not responsible if your dog catches a cold or flu while with us. We'd like you to know that we do our best to keep all dogs in our care as healthy as possible.
